SUBJECT: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY
DALLAS, TEXAS
NOVEMBER 22, 1963
ASSAULTING OR KILLING A FEDERAL OFFICER

We have obtained one roll of 8 mm. color film furnished by a Dallas resident which shows the southwest corner of Elm and Houston Streets in Dallas where the Texas School Book Depository Building is located. The film clearly shows the Presidential cavalcade proceeding north on Houston Street and turning left on Elm Street directly in front of the building.

On the sixth floor in the room where the rifle and cartridge cases were located one figure can be seen in the window.

Directly below the room in question two indistinct figures can be seen in the window. We have identified and interviewed two individuals who were in this window at the time of the shooting. The photographic laboratory is attempting to blow up pertinent frames of this film in order to portray it in more precise detail.

Numerous inquiries have been received from the press regarding what appear to be two persons in the room where the shots were fired, obviously confusing the fifth and sixth floors. These inquiries have been answered with no comment.
